Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Boys and Girls Club of Greater Anaheim/Cypress in fiscal year 2024.

The entity to receive funding for this project is Boys and Girls Club of Greater Anaheim/Cypress, located at 1260 N. Riviera Street Anaheim, CA, 92801

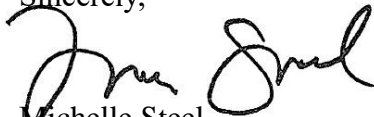

The funding would be used for a workforce development program.

The project is an appropriate use of taxpayer funds because it provides comprehensive workforce development programming job exploration, skill-building and transition programming that promotes a source of reliable workers, strengthens readiness for the workforce and creates a talent pipeline for local and businesses.

The project has a Federal nexus because the funding is provided for purposes authorized by United States Code 42 USC 5305(a) (2) the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel
Member of Congress
